Summer is a busy time! Let our professional staff keep your kids busy for the week, as they learn soccer skills, play fun games, and become a part of our special World Cup style tournament.

Campers will be assigned to national teams for the week while learning about the country they represent.

Our campers will have access to our soccer field and swimming pool (which will be guarded by trained lifeguards). At lunchtime, the campers will eat at the Diamondback Café, which offers a variety of healthy, all-you-can-eat options.
